

## Joyfully Jay 2024 Advertising

Joyfully Jay is an LGBTQ romance review blog. We read and review a variety of LGBTQ romance and try to include all sexualities and gender identities under the rainbow. While we primarily review adult romance, we also do review LGBTQ fiction and non-fiction, as well as YA romance.

Advertising with Joyfully Jay is a great way to get your message out to a large and enthusiastic group of readers who are supportive and excited about LGBTQ romance.

Joyfully Jay advertisements are placed in the right-hand sidebars below the Welcome message on <https://joyfullyjay.com>. This makes them viewable from every page on the site. The ads run for one month each, beginning on the first of the month. Your spot includes a link from the ad to any other site, such as a retailer, publisher page, or author website.

### Sizing and Pricing

Ad spots are 300 pixels high x 200 wide. These are generally standard cover dimensions, so they work very well if you want to use most existing cover art. Please note that it is important to provide art in these proportions to ensure the ad fits the space properly. Art in the wrong proportions may result in your ad not fully filling the available space. We can accept both static and animated (slide show style) advertisements.

Our advertising tiers are designed to accommodate a variety of budgets. For 2024, we are keeping our ads at previous prices.

We offer four tiers of advertising:

- **Tier 1 ads:** Top spot in each of the two sidebars - \$125 per month each (2 available/month)
- **Tier 2 ads:** Second spot in each of the two sidebars - \$110 per month each (2 available/month)
- **Tier 3 ads:** Third spot in each of the two sidebars - \$95 per month each (2 available/month)
- **Regular level ads:** All the remaining spots in the two sidebars - \$75 per month each

All ads are placed in the sidebar in order of booking within a given tier, beginning with the left sidebar and then the right. The earlier you book, the higher placement you will receive for your regular level ad.

We are also currently offering a **volume discount**:

- Buy 2 ads, get the third 25% off
- Buy 5 ads, get the sixth 50% off
- Buy 11 ads, get one free

Details on the discount: Ads do not have to be consecutive months. If you purchase ads of varying tiers, we will average them to calculate the discount. The discount will be applied on the last ad in the series. All ads must be booked at once to be eligible for the discount.

Joyfully Jay will also create animated ads upon request for \$10 each. Advertisers must supply the individual images in the appropriate size/proportions and we will then create an animated ad.

## Joyfully Jay Statistics

At Joyfully Jay we post new content multiple times per day on Monday-Friday, as well as at least once on Sunday and occasionally on Saturdays. We average about 15 book reviews each week. In addition, we publish guest posts, book excerpts, giveaways, author interviews, editorials, and other content regularly, with author guest spots Monday-Friday. This keeps our content fresh and encourages readers to come back often to see new posts.

Joyfully Jay is a large and busy blog and we expect that to continue. We currently have seven regular reviewers who read a wide variety of subgenres. The blog has developed a loyal following that continues to grow.

Between October 2022-September 2023, we averaged around 24k hits a month. We have had about 2.68 million visitors since September 2014.
